48 or more cars - 6 heats (3 qualify / 1 to redraw - 8 cars)

Two drivers from Friday night hot lap / time trials

31 or less cars / 48 or more cars - draw in positions 7 and 8

31 or more cars - draw in positions 9 and 10

The number of consolations and qualifiers will be determined on car count on race night.

Drivers who lock in on Friday night must register for competition with scoring on Saturday. They will be allowed to run at the back of a heat race to get hot laps.

Last Call Modified Race to be lined up based on consolation event finish. The race will be run directly following the consolation event for the Modifieds with no break. If need be, plan on 20 laps of racing. If two consolation races are run. The first consolation lines up on the inside row the second lines up on the outside row.

The winner of Last Call Modified Race gets the 25th starting position in the feature. One track paid provisional will be added to start 26th. The Southern States Modified Series has a guaranteed starter for their representative. All Modified non-qualifiers receive \$75 tow money.

Redemption Draw

- Any driver in the Modified and Sportsman division may pay a redemption fee and draw a second time.
- Drivers who choose to draw a second time must take the second pill drawn regardless of position.
- Modified Fee = \$50 / Sportsman Fee = \$25
- Modified Redemption draw money is added to the feature purse.
- Sportsman redemption draw is paid as tow money to non-qualifiers in order based on entries. All Sportsman drivers that do not qualify will be paid \$25.

Rules

- Modified Minimum weight is 2,400 track scale pounds for all engine combinations
- Exception: DIRTcar Legal 358 Modifieds may weigh 2,350 track scale pounds. Utilization of sail panels is allowed. Must fully comply with DIRTcar rules including rev box.
- Sportsman will follow the Thunder Mountain / DIRTcar rulebook.

Modified / Sportsman Race Format

- All drivers must have a transponder
- Cautions laps do not count
- Two courtesy laps to change a flat tire / make repairs from crash in the feature event prior to halfway ONLY. Drivers are only eligible for ONE time in the pit area. The driver must be on the lead lap.
- Any driver that stops on the speedway to bring out an intentional yellow without a flat tire will be penalized one lap and will not receive any courtesy laps.
- here will be one wave around driver that is one lap down per caution flag period unless there are back-to-back cautions on the same lap. Then only the first caution counts.
- At every caution, lapped cars will be placed back behind lead lap cars. The wave around car will fall in line behind the last car on the lead lap.
- Two cautions on the same lap the restart will be single file. All other restarts will be double file until the conclusion of the feature event.
- Race will finish under a green, white, checkered format. A race can be extended with a caution on the final lap.
